

Assemble CARE KITS for the Homeless in your Community

Gather your local organization, church, or group to put together zip loc bags full of items for the local homeless. Basic items we take for granted every day are hard to come by when you are homeless or living out of your car. Assemble these kits with a note of encouragement or a bible verse to give those in need hope and blessings.

- Soap & Wet wipes
- Shampoo & Conditioner (travel size)
- Deodorant (travel size)
- Toothpaste & Toothbrush
